MARK, CONSTRUCTION AND CLEAR SPACE

One circle. Perfect arc, 8-unit line, 42° opening each side.

One weight. The C and the 10 share the same stroke.

The pen continues the arc along its tangent. The tip is the only filled red.

Clear space x = the pen's width (12 units, about ⅛ of the mark's height) on every side.

MINIMUM SIZE

Mark alone: **24 px** or 8 mm in print.
Compact logo (no line): **110 px** or 25 mm.
Logo with ANNA UNIVERSITY: **240 px** or 55 mm; below that, switch to the compact logo.

HOW THE APPLE DESIGN APPROACH IS APPLIED

Reduce to one idea. No band, no extra colour, no tagline.

Geometry over freehand. True circular arc, one stroke weight, tangent-aligned pen.

Continuous corners. The app tile uses a superellipse, not a plain rounded rectangle.

Depth only where it belongs. A soft top light on the icon tile; the logo itself stays flat.
